MEMORANDUM FOR: Chief, Central Cover Staff/DO

FROM: [redacted] Legislation Division
Office of Congressional Affairs

SUBJECT: H.R. 2487 and S. 1595, Federal Employees Leave Act of
1987

1. The above-captioned bills, which are identical, provide that employees may donate annual leave to other employees, including employees of other agencies. While the Offices of Finance, Personnel and the General Counsel agree that the bills are laudable, they also agree that they must meet Agency-specific needs.

2. We intend to have the bills revised to protect classified information as well as provide that the Director of Central Intelligence in lieu of the Office of Personnel Management may prescribe procedures covering Agency donors or recipients. However, we need to know [redacted]

[redacted] what alternatives we should seek. Accordingly, I ask that you review the attached bill to determine what modifications should be made.

3. As it appears these bills may move through Congress, I ask that you get back to me at your earliest convenience. You may telephone me on secure 37914 if you have any questions.
